## THE ARBORETUM AT PENN STATE

# Cities of Goldenrod

FREE · REGISTRATION REQUIRED

1:00 to 3:00 p.m.

**SATURDAY, AUGUST 12**

**SATURDAY, AUGUST 26**

**SATURDAY, SEPTEMBER 16**

Explore the ecological community created by one of Pennsylvania's most common plants: goldenrod. Penn State scientists will guide children and parents as they capture, observe, and release the herbivores, predators, and pollinators that inhabit goldenrod "cities."

*Best suited for children (K–6) and their families. Children must be accompanied by a parent or guardian.*

Register to participate at [bit.ly/CitiesofGoldenrod](https://bit.ly/CitiesofGoldenrod) or scan the QR code

The Pennsylvania State University encourages qualified persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Rebecca Horwit at 814-8675-0773 in advance of your participation or visit.

**This publication is available in alternative media on request.**

Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability, or protected veteran status. U.Ed. OUT 24-ARB-1232998
